Jack & Jill of America, Incorporated, Phoenix Chapter is pleased to announce its Biennial Beautillion event, to be held Saturday, March 30, 2018. One of the Valley's premier fundraising events, attracting more than 400 distinguished guests, the Beautillion is also the signature event for the Jack and Jill Phoenix Chapter and raises substantial college scholarship funds that are vital to the organization's on-going service to this community.

In 2017, your generous contributions to the Beautillion raised scholarship dollars in the total of \$36,000.00 for college bound young men. Additionally, Beautillion funds provided \$5,300 for Black Family and Child Services, a local 501c3, and \$5,000 for the Jack and Jill National Foundation to support organizations such as Rebuild America- Habitat for Humanity (where Jack and Jill has committed to build a home every two years for deserving families), United Negro College Fund (UNCF), March of Dimes, and more. We could not have achieved such tremendous results without the generous financial support and charitable contributions from our community. This year, we need your continued support to enable the 2019 Beautillion to accomplish even more.

The Beautillion program focuses on African-American young men chosen from the Phoenix community between 16 and 19 years of age. These young men of excellence are accepted to participate based on academic scholarship, community involvement, and contributions made through sports, arts, and cultural activities. During a 10-week program, the young men participate in social, cultural, and community service activities; as well as, attend seminars on college preparation, and other educational topics. The program culminates, with a formal presentation of the young men during a rites of passage event.

Thanks to the kind and conscientious support of caring individuals and companies like yours, Jack and Jill's Beautillion continues to grow and provide educational resources and scholarship funding for young men to attend college throughout the United States.

The amount of scholarship dollars raised and the Beautillion programming depends on the generous contributions from people like you. Please consider being a Legacy level sponsor. Your investment will have a lasting effect on the young men in our community. Please review the enclosed information regarding Corporate Sponsorship and Underwriting opportunities and select your desired contribution level. As an option, you may also like to purchase additional corporate tables for the event at a cost of \$1,500 each.

If you have additional questions, please feel to contact us.

On behalf of Jack and Jill Phoenix Chapter and all the wonderful young men this event touches, we thank you for your consideration and for your commitment to providing educational opportunities for the children in our community.

Sincerely,

Tara Winey
